Dear Monarch Supporter,

We would like to invite your organization to be an official sponsor of our work to protect the monarch migration. The migration is one of nature's most spectacular events; monarch butterflies travel up to an astonishing 3,000 miles from their summer habitat to their overwintering grounds. **But with losses of over 80% of their population in 20 years, the migration is in jeopardy.**

The Monarch Joint Venture (MJV) is working to protect monarchs and their incredible migration for future generations, by building partnerships, raising public awareness, applying research to inform conservation actions, and providing funding for high priority conservation projects.

Each year, our national partnership sets priorities for the next year of monarch conservation through our Implementation plan. Our work focuses on three pillars of conservation: 1) Habitat Conservation, 2) Education and Outreach, and 3) Research and Monitoring. **You can be a part of a national strategy to protect monarchs by sponsoring the work of the MJV and our partners.**

The MJV partnership carries out high-priority monarch habitat conservation, research, and education projects with funds raised from donations and sponsorships. **With your sponsorship, we can fund more projects like:**

- *The Youth Pollinator Habitat Program.* Pheasants Forever and Quail Forever are getting youth outside to help restore monarch and pollinator habitat.
- *Establishing Prairie Plantings.* The Missouri Prairie Foundation will establish over 150 acres of pollinator habitat in a key monarch breeding and migrating site.
- *Monarch & Milkweed Citizen Science in Texas.* Cibolo Nature Center educates thousands of Texans in monarch citizen science monitoring and habitat conservation.

By becoming one of our corporate sponsors, you will support future generations of the iconic monarch butterfly through our coordinated habitat, research and education work.

Potential giving levels are listed on the sponsorship form below. Sponsors donating over \$1000 will be recognized on our website. Please fill out the attached sponsorship form and email or mail it back to us at the address provided.

Thank you in advance for your generosity. Please don't hesitate to contact me directly at (612) 625-8739 or cora@monarchjointventure.org if you have any questions.

Sincerely,

Cora Lund Preston
Monarch Joint Venture

Sponsorships are tax deductible. Propel is the 501(c)(3) fiscal sponsor for Monarch Joint Venture.

Form updated 9/6/2018.

Monarch Joint Venture Sponsor Donation Form

More information: Cora Lund Preston, (612) 625-8739 cora@monarchjointventure.org.

Contact Name and Position: _____

Company Name: _____

Mailing Address: _____

Email Address: _____

Phone Number: _____

Select a Sponsorship Level:

- ☐ **Gold Sponsor** - \$2,500
- ☐ **Silver Sponsor** - \$1,000
- ☐ **Bronze Sponsor** - \$500
- ☐ **Monarch Friend** - \$250
- ☐ Other amount: _____

Select a payment method:

- ☐ I have made my donation online (monarchjointventure.org/get-involved/donate).
- ☐ Enclosed is my sponsorship check (Please make checks payable to Propel, and indicate Monarch Joint Venture in the memo.)
- ☐ Please contact me to arrange an invoice.
- ☐ Please charge my credit card. For credit card payment, fill out the box below. (Not necessary if you choose to donate online.)

Card Type: ____ AMEX ____ Visa ____ MasterCard ____ Discover

Account # _____ Expiration Date: _____
